RULES AND REGULATIONS

The club is closed on Mondays and Tuesdays until Nov.12th, after that just Mondays. We will be closed Thanksgiving Day, Christmas Day, and New Years Day. We are open on Presidents Day.

There will be a greater percentage of roosters released until we run out, which will be some time in January. From that time till the end of the season 100% hens will be released. **Birds not killed this season will not be credited towards the next season.**

In the past, certain problems have arisen, we ask your utmost cooperation in observing the following rules:

- Downed birds must be retrieved. Leaving a crippled bird without an honest effort to retrieve, or discarding a dead bird, are against the State Fish and Game code. Violators are subject to prosecution as well as having membership cards voided without refund.
- Hunters must sign in and out. Any hunter who hunts after signing out will forfeit their membership without refund. Anyone taking untagged birds off the property will forfeit their membership without refund. Any birds that a dog catches must be checked in and will be charged to the hunter, if the bird is not good, there will be no charge.
- Uncontrollable dogs will not be permitted in the fields.
- All hunters, regardless of age, must have a valid California Hunting License and Upland Stamp.
- Hunters are not allowed in the field when fog prevails, and if they are 8:00 am. hunters, and they cannot hunt until the fog lifts, they will be allowed their two hour reservations when the fog lifts.
- We have noticed many drivers speeding on the club road. This can be very dangerous to hunters and their dogs. **Speed limit on the club road is 15 miles per hour, and will be strictly enforced**
- Reservation must be made for 8:00 am. shoots, but reservations are not necessary after 10:00 am.. When phoning for reservations, please call before 4:00 p.m.. Reservations will not be accepted after 4:00 p.m.. **RESERVATIONS WILL NOT BE ACCEPTED FOR LESS THAN FIVE BIRDS & STARTING JANUARY 14th, RESERVATIONS WILL NOT BE ACCEPTED FOR LESS THAN SEVEN BIRDS.** You will be charged only for the birds you bag. Any reservations for Tuesday must be made on Sunday.
- Please remain in your assigned area from 8:00 am. until 10:00 am. After 10:00 am., you may go where you like. Shooting hours are from 8:00a.m. to 4:00 p.m.
- Dogs are available to rent for \$30.00. You may use the dog for no more than 2 ½ hours. Specific dogs cannot be reserved. You must call in advance to be sure a dog will be available. Dogs will not be rented when the weather is too hot. The use of a dog is required while hunting. **No ground shooting.** Birds wet from rain or heavy dew will often run instead of fly. Because of the danger of injury to the dog (to say nothing of the hunter), do not shoot at running or low flying birds.
- An attempt must be made to shoot every bird found by the dog. Hunters using club dogs who make no effort to do so will be denied future use of these dogs. When you have the birds you wish, leash the dog and bring it in.
- **No shooting towards buildings.**
- **No drinking of alcoholic beverages while hunting.**
- **No rifles or pistols allowed on the property.**
- Members are responsible for the conduct of their guests and must hunt together in one group. No one under 18 is allowed without adult supervision. **IT IS MANDATORY FOR EACH MEMBER AND GUEST TO WEAR AN ARTICLE OF HUNTER ORANGE; ALTHOUGH SAFETY GLASSES ARE NOT MANDATORY, THEY ARE HIGHLY RECOMMENDED.**
- All litter including empty shells, must be picked up. The member whose name is on the card must be present at all times.
- Please park in the designated areas only - not on the cover in the fields.
- Size shot required: No. 6 or 7 ½
- After January 31st only two guest per member are allowed in your hunting party.
